

Consolidation

Integration creates clarity.

What services do we offer?

- Inclusion of all assets in one single integrated reporting system.
- Overview of all bankable and non-bankable assets in Switzerland and overseas.
- Consolidation of various performance and cost-relevant-parameters for improved monitoring of your portfolio, banks and other external service providers.
- General monitoring function in relation to pricing and / or performance.
- Creation of special reports, such as manager monitoring, cost and performance overviews and special key performance indicators (KPIs).

How do you benefit specifically?

- You can keep an eye on the costs at all times.
- You don't lose any time because of the complexity of the matter.
- You keep risks under control.
- You increase your efficiency.
- You get the ideal overview, so you can make the right decisions.
