

Real Estate

Investing in lasting values.

What services do we offer?

- Support in real estate valuation, the right financing forms and buying and selling negotiations.
- Provision of property managers and local specialists.
- Development and structuring of real estate portfolios, taking into consideration various aspects such as taxes and succession planning.
- Supervision of renovations and optimization of existing properties.
- Extensive reports and appropriate representation of real estate assets in your overall portfolio.

How do you benefit specifically?

- You get a neutral and independent market and situation analysis.
- You avoid errors due to our extensive expertise in the real estate sector.
- You gain access to attractive investment opportunities due to FINAD's broad real estate network.
- We provide you with a rapid and in-depth market overview in the required field which saves you time.
- We optimize your costs through the correct management of consultants and brokers.
